*Loan(s) must have been opened for the past 6 months and paid current each month to qualify for this program. Interest will continue to accrue on the loan during the skipped period. Skipping a payment will cause the loan to take longer to be paid off than originally estimated. A regular payment will be due the month after the month skipped. Skip-a-payment request must be received by MSPECU at least 5 days prior to the due date of the payment to be skipped. Fee must be paid upfront.
